

# 2<sup>nd</sup> Shift

## Live Rock, Blues & Country Music

What do you get when you combine a healthy dose of Classic Rock, several shots of Electric Blues, a touch of New Country, and a pinch or two of Latin spice? Answer: The 2<sup>nd</sup> Shift Band from Kalamazoo, Michigan.

2<sup>nd</sup> Shift has been a working band since 2005. All six members share a common love of music, but the journey to musicianship was different for each one of them:

- Prior to singing Rock & Roll, Sarah Beth performed in several off-Broadway musicals and other theatrical productions.
- Bryan graduated from the Musicians Institute in Los Angeles as a certified Jazz bassist. He now plays a smokin' lead guitar.
- Tim quit the drums in 8<sup>th</sup> grade, worked through college as a Country Music DJ, then somehow ended up playing Latin percussion.
- As a kid, Keith banged out rhythms on furniture, pots & pans, or whatever else he could find. His parents *had* to buy him drums to save the house from destruction.
- Jim's passion for music was born in Michigan. At age 11, he attended 6-week beginner guitar course at a local high school - he was hooked for life. Jim played with several Blues bands before joining 2<sup>nd</sup> Shift. Is it a coincidence that his guitar is electric blue? We think not.
- Charlie cut his teeth on Blues guitar, and has spent 25 years fronting a variety of Country and Classic Rock bands. Along the way, he learned to play the harmonica and bass guitar.

The point is, 2<sup>nd</sup> Shift is no ordinary cover band. 2SB plays a wide variety of recognizable hits while drawing upon their collective, eclectic musical backgrounds. The result is a unique sound and style that can only be called "2<sup>nd</sup> Shift."
